

Cancellation Policy

The Empowerment Network

(2024)

Our one-year membership offers flexibility with payment plans, but it is important to understand our cancellation terms.

- **One-Year Commitment:** This membership is a one-year commitment, regardless of the chosen payment plan (quarterly, semi-annual, or annual). Cancellations are not possible before the end of the one-year term.
- **One-Month Notice Period:** You are legally allowed to cancel your membership within the first month from your registration date. However, please note:
 - If you use our services within the first month, you will be charged the amount for a quarterly payment.
 - If you do not use our services within this first month and choose to cancel, you will receive a full refund based on your chosen payment plan.
- **Refunds:** We are unable to offer refunds for unused portions of the membership after the one-month notice period, since this is a one-year commitment.
- **Cancellation Timing:** To avoid automatic renewal charges, we recommend cancelling your membership after your final scheduled payment. For instance, if you opted for the quarterly payment plan, cancel after your fourth and final quarterly payment.

We recommend reviewing the membership details and payment plan options carefully before committing. If you have any questions regarding the cancellation policy or membership terms, please don't hesitate to contact us at hello@ten-women.com.
